

What is Vermont WoodNet?

Vermont WoodNet is a coalition of woodworkers and wood product businesses whose primary mission is to strengthen business opportunities for small-scale Vermont wood product businesses that produce "Vermont Made" products and to foster a commitment to the sustainability of the forest resources.

Vermont WoodNet was established in 2000 to address the needs of small-scale woodworkers and woodcrafters in Vermont by creating opportunities for joint manufacturing, joint marketing and increasing access to materials and services.
