Craftsmanship:

Hand selection of stock; mortise and tenon and dovetail joinery; steam bending and precise shaping; fine sanding.

Finish:

Hand-rubbed oils, sprayed lacquers and varnish.

Design:

Strong design foundation applied to project requirements, single pieces to hundreds.

Species used:

Customer's own trees and local sources for Maple, Oak, Ash, Hickory, Cherry, Hornbeam, and Elm; including FSC-certified.

Turn-around time:

Limited inventory, 8–12 weeks, can vary depending upon scale of project and wood species; use of customer wood extends lead time.
